

Holedall572 - 593

Coupling machines	572
Recommended working pressures	573
External swage	574 - 579
Stems	575 - 576
Flange assemblies	576
Female ends	577
Uni-range male couplings	577
Ferrules	578 - 579
High pressure couplings	579
Internal expansion	580 - 581
Stems	580 - 581
Ferrules	581
Holedall Petroleum style.....	582 - 583
Couplings	582
Ferrules	583
API Certified Holedall Petroleum attached	584 - 585
Couplings	584
Ferrules	585
Washers	586
HB coupling expander machine	586
Pump hose couplings	586
Dubl-Grip field attachable couplings	587
CIP internal expansion sanitary style	588
Sanitary style.....	588 - 590
Stems	588 - 589
Threaded hex nuts.....	589
Flow Chief ferrules	590
Sanitary King Crimp® stems	591
DIN external crimp stems	591
Dixon Sanitary crimp stems	592
Dixon Sanitary crimp ferrules	593
