

brass

316 stainless

## **Domestic Bronze Gate Valves**

## Features

- Class 150union bonnet
- ASME B1.20.1
- Grafoil<sup>®</sup> packing
- Rising stem
- Solid disc

#### Material

Features

Threaded bonnet

Non-rising stem

Solid wedge disc

• Adjustable packing nut

Integral seat

• Malleable iron handwheel

### Specifications

- Temperature range:
- -20°F to 406°F (-29°C to 208°C)
- Pressure rating: 300 PSI cold working pressure 150 PSI steam working pressure

### Approval

100% factory tested

Female NPT	Bronze Part #
1/2"	DBGV50
3/4"	DBGV75
٦"	DBGV100
1-1/4"	DBGV125
1-1/2"	DBGV150
2"	DBGV200

# **Stainless Steel Gate Valves**

#### Material

· Iron handwheel

#### Specification

· Pressure rating: 200 PSI non-shock cold water, oil, gas

## Approval

• 100% factory tested
