Pipe Band Clamp

Secures hopper tees or pipe lengths in dry bulk applications.

DBPCB400

Applications

• Suitable for both food grade and non-food grade applications where pipe and hopper tee outlets are joined. Typically used on dry bulk cargo tank pipe connections.

Size

• 4"

Features

- · Works with both groove and straight pipe connections
- Static conductive strap build into clamp
- · Heavy duty worm gear clamps
- · Stainless steel support wrap improves strength
- · Band clamp retainers align clamp position
- · Piping should be supported

Materials

- · Band, clamps: stainless steel
- · Seals: white nitrile rubber FDA approved

Specifications

- Working pressure 50 PSI
- Maximum temperature rating 250°F (121°C)
