

### Socket Weld Butterfly Valve Flanges

**Application**

- Used in the piping systems within hydraulic fracturing operations for the transfer of fluids and slurries

**Feature**

- Slip-on butterfly flanges for welding on to 4", 5", and 8" pipe

Size	# of Bolt Holes	Carbon Steel Part #
4"	6	HSW400
5"	6	HSW500
8"	8	HSW800
